

GET A WHOPPING 34.75% DYNAMICS 365 REBATE

The more you sell, the more you make.
What are you waiting for?

Act fast! The deadline is 30 September 2024.
It's as easy as 1,2,3 to start earning.

THIS IS HOW WE DO IT

An easy win. Low-hanging fruit. An offer you can't refuse. Call it anything you like. We call it the **Dynamics 365 New Commerce CSP Incentive Programme** and it's here to help you make the most of every sale.

It's open to all partners selling Microsoft Business Application products and services through New Commerce Experience (NCE).

The more you sell, the more you earn.

And once you start adding new products to a customer, the incentives really start to grow!

You don't even have to be a Dynamics expert – we've got you covered.

Here's is how it works.

TIER 1: CORE	TIER 2: STRATEGIC	TIER 3: CUSTOMER ADD
All Dynamics 365 and Power Platform sales get you...	All Business Central and Sales Enterprise sales get you...	All new Dynamics 365 and Power Apps added to a new customer in the first 12 months will get you...
4.75% rebate	+10% rebate	+20% rebate
<small>Note: Tier 1 and 2 incentives are based on billed revenue and calculated in accordance with billing cadence.</small>		<small>Note: Tier 3 incentives are calculated on Business Applications billed revenue on eligible products in Modern and Legacy (if applicable). Earnings are available for 12-months from customer tenant's first CSP Biz App transaction.</small>
